BTS Receives Outstanding Customer Satisfaction Award

*Technology Assurance Group
Recognizes BTS at Their 21st Annual
TAG Convention*

BIRMINGHAM, AL — April 18, 2022 — BTS Technologies, Inc., a leading managed technology services provider, announced today that the company received Technology Assurance Group's top award at the 21st Annual TAG Convention held in Scottsdale, AZ. Technology Assurance Group (TAG), an organization of leading managed technology services providers in the United States and Canada representing \$800 million in annual products and services, selected BTS Technologies, Inc. as the winner of the Outstanding Customer Satisfaction Award. BTS Technologies, Inc. received the recognition during an awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The industry holds this award in the highest regards and is only given out once per year. Winners are selected based on their exceptional business practices and superior customer satisfaction. "When you place the customers' needs ahead of your own it's incredible how quickly profits come. By focusing on strong customer service and consistently exceeding our customers' expectations, we have developed quite a reputation in the community," said Roger Wentowski with BTS Technologies, Inc.. "When our customers can rely on us to be their trusted technology advisor, we experience unfaltering customer loyalty."

"BTS Technologies, Inc. is dedicated to increasing their customers' profitability, enhancing their employees' productivity and giving them a competitive advantage through the utilization of technology," said Brian Suerth, President of Technology Assurance Group. "Roger leads a team that is committed to the success of its customers, and his customers know this. That's exactly why they keep coming back." Roger Wentowski Sr and Roger Wentowski Jr accepted the award in Scottsdale.
